Most growers have sold their trees well.

Retailers are just now setting up sales lots.

It is timely for growers to now schedule plantings for Christmas Tree crops for future years.

*This supplement shows full bundles of 50 trees in spruce and pines.*

On the right,

3 yr. White Spruce

On the other side,

2 yr. Riga Scotch Pine  
in three grade-sizes

Other stock for Christmas Tree planting is shown on our list:

Douglas fir 2-0 and 2-2

Austrian Pine 2-0 and 2-2

Colorado Blue Spruce 3-0

Norway Spruce 2-0, 3-5" only

Order as early as your plans permit.

Be sure of getting the stock you want.

*Ample stock now in all grade-sizes except Norway Spruce 5-10" sold out.*

White Spruce 3-0, 5-10"
